

POOL COVER BOXES BELOW GROUND

The latest product in Daisy's range, the Below Ground Pool Cover Boxes are perfect for those wanting to hide their pool cover and roller from view or only have limited space by their swimming pool.

These boxes will not only save you money by protecting your pool cover and giving it longevity, but they also enhance the look of your pool area, adding value to your home. Our boxes are full aluminium with anodized aluminium lids. Heavy duty braces are fitted to reinforce the structural integrity of the box.

- Quality boxes are fitted flush to the paving or concrete height - hidden to enhance the aesthetic look of your pool area
- Slimline lid opening
- Manual or auto rollers available
- Single person operation
- Versatile: can be installed to suit most new and existing pools
- Installation only available in selected areas
- 5 year structural warranty for your peace of mind
