Designed just for you

These easy-to-use robots intelligently adapt themselves to any pool, to achieve the best possible results for your specific pool shape and surface type. Enjoy their user friendly design and simple operation – created with you in mind.

Choose the highest performing robot that's right for your pool:

Dolphin X 40 PLUS

Advance to a new pool cleaning experience with this top-of-the-line robot that brings even more ease and freedom to the superior capabilities of the Dolphin robots. Navigate your Dolphin X 40 PLUS through the state-of-the-art MyDolphin™ app.

World's first robotic pool cleaner with intelligent Smartphone technology.

Dolphin X 30

Experience superior pool cleaning with this advanced new robot. With its ultra-light weight and quick water release, the Dolphin X 30 is super-easy to handle. Choose between two filtration options to capture rough debris or fine dirt. The active brushing action and the PowerStream Mobility System ensure efficient pool coverage, with extra-thorough scrubbing on all surfaces – leaving the floor, walls and waterline spotlessly clean.

Dolphin E 10

The Dolphin E 10 is a lightweight, compact robotic pool cleaner that expertly cleans your pool floor. With its quick water release and easy to use top-access filter system, you'll find the E 10 is the simple answer your pool cleaning needs.

www.maytronics.com.au

Starting in 1983, we pioneered automated electronic pool cleaning technology. Today, Maytronics remains the market leader, continually setting new standards for technological innovation, design and reliability.

In everything we do, we strive to make pool owners' and users' lives easier and more enjoyable. Our goal: to enable an exceptional experience of a pure, clean, safe and relaxing pool.

maytronics

Enjoy an easy and relaxing pool cleaning experience.

Dolphin X series robots are designed by Maytronics to do all the hard work – providing incredible cleaning performance and efficiency.

Leave it all to a Dolphin X, and enjoy:

Effortless operation

- Top-access filtration system – with quick, no-mess emptying and washing
- Lightweight, easy handling
- Fast, debris-free water release
- User-friendly smartphone MyDolphin™ app for convenience and control (X40+)

Crystal-clear cleaning results

- Multi-layer filtration options with fine and ultra-fine dirt capture
- Active brush rotates at 2x the speed of the robot, resulting in enhanced cleaning capabilities
- Complete coverage of all pool surfaces – with PowerStream mobility system (X30, X40+)
- Self-learning robot adapts to the pool shape and surface for optimal cleaning results

Peace of mind

- Proven reliability – made by Maytronics, the world leader in robotic pool cleaners
- Certified ISO 9001 quality standards

About Maytronics

Nobody knows robotic pool cleaners like Maytronics – the company behind the top-selling Dolphin robots. For more than 30 years, we have been developing robotic cleaning solutions for all swimming pools.

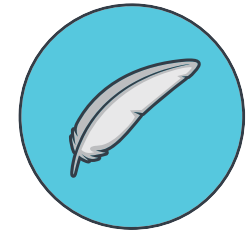

Superior pool cleaning made easy

PowerStream Mobility System - enhanced navigation *

Patent-pending multi-directional water flow ensures constant grip on all types of vertical surfaces, for efficient cleaning along walls and waterline and enhanced navigation control.

Lightweight, ergonomic design makes handling and storage of the Dolphin hassle free!

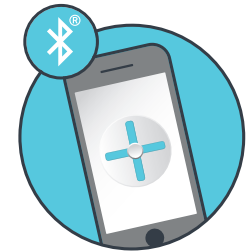

Lightweight - easy to lift and handle

Fast Debris-Free Water Release

Fast clean-water release makes removing the Dolphin from the pool so easy!

MyDolphin™ app for convenient manual navigation to direct your robot to clean specific parts of the pool.

MyDolphin™ Smartphone - RCU *

Multi-Layer Filter - highly efficient clog-free filtration *

Simultaneously separates and filters rough, fine and ultra-fine dirt, for highly efficient, clog-free filtration. Snaps apart for super-easy cleaning.

Advanced scanning software ensure floor and walls are fully covered using the most efficient route. The Dolphin automatically navigates around obstacles and quickly returns to its cleaning pattern.

CleverClean™ Coverage
